## Relay for Life

The Relay For Life movement is dedicated to helping communities attack cancer. Through funds donated, time given, or awareness raised, our communities are teaming up - virtually or in-person - to make a difference. When we rally together in the fight against cancer, we can accomplish anything. Each year, more than 5,000 Relay For Life events take place in over twenty countries, including several right here in eastern Iowa. Help us celebrate, remember, and fight back for cancer patients and their families this month with our Community Coins fundraiser.
