All month long, change and donations collected at the Community Coins canisters will be donated to Two by Two Character Development. Two by Two is a nonprofit organization dedicated to creating a kinder world for people, animals, and the environment through engaging character education programming in area schools. By including animals in hands-on, thought-provoking character education instruction, children's HEARTS are captured and learning takes root! In September, all our Community Coins donations will go toward sponsoring Two by Two and their efforts to grow kindhearted kids with their curricula.
