All month long, change and donations collected at the Community Coins canisters will be donated to the No Foot Too Small organization, based in Iowa City, Iowa. Their mission is simple: celebrating angels and uniting families while raising funds to build birth and bereavement suites for families facing the unthinkable. Through meetings, events, and collaborations, their mission has touched communities across Iowa and the nation as they raise awareness of pregnancy and infant loss and honor babies gone too soon. Through our Community Coins donations in January, you can help support No Foot Too Small and the families they serve.
